<tr>
<td>Back today with money</td>
<td>We are in desperate need for parent/grandparent help for our breakfast club on Wednesday and Friday mornings from 8am to 8.30am. On Wednesdays we have more than 20 children, which is fantastic, but it’s a lot of children for one person to look after.</td>

<tr>
<td><strong>Parent Opinion Survey:</strong></td>
<td></td>
</tr>
<tr>
<td>This week some families would have received a survey to fill out about the school. Families to fill out this survey are chosen by the computer. To get the reliable results we need all 25 surveys returned to the school. These surveys help us to decide what we need to keep working on to give your children the best education. It has been brought to our attention that the envelopes did not have enough postage on them. If you received a bill from the postage as a result of this or you had to pay the additional postage, can you please bring your receipt to the office so we can refund the money to you. Our apologies for this mix up.</td>

<tr>
<td><strong>Record of Behaviour forms (Green and Blue forms):</strong></td>
<td></td>
</tr>
<tr>
<td>Our school has very clear expectations about how we behave at our school. When children choose not to follow these expectations a blue form (classroom behaviour) or green form (playground behaviour) will be sent home. A copy of the green form has been attached with this week’s newsletter for your information. You will notice on the reverse side that some of the expectations from our school values matrix have been listed. These are great talking points to have with your child. Green forms are sent home for children who behave in the following ways – physical aggression, targeted bullying, refusal to follow directions from school adults, sexual harassment, inappropriate sexual behaviour, leaving the school grounds without permission, abusive language, racism and intentional property damage. The green form will list any consequences that have been put into place. As parents/guardians you can support us by talking with your child about their choices and which choices would have been more acceptable in the school environment.</td>
