**Pick Up Times:**
We have had a number of complaints regarding speeding cars on James Street at pick up and drop off times.

This area is a permanent 40km speed limit. Police and Bi-laws Officers have been notified and will be policing the area.

Please be mindful when travelling around school zones, especially at school times, as children cross the roads without looking before checking to see if cars are coming.

**Art Room:**
If anyone has old margarine containers with lids or ice-cream containers with lids the art room is looking for some. Could you please drop them into the office. Thank you, Miss Celima.
Following the success of last year’s Compass Program our Grade 6’s are lucky enough to be part of the program again. Mrs O’Reilly and Simon (Chaplain) have been working with the Grade 6’s on activities such as; Lawn Bowls, Bike Skills and Meals on Wheels. The students have chosen to do either cooking skills or making a Billy Cart.

Here is some feedback from 5/6R.

I like Meals on Wheels because I meet nice people. I also get a break from the class. Wayne

It was fun on Meal on Wheels because you get to know people. Kayla

I’m looking forward to Compass. Some of the things you get to do look fun. Ryan

It is fun meeting old people and seeing their house, some were awesome. Daniel

It is a good experience getting to help people, and deliver meals. Callum

Meals on Wheels helps everyone. You get to help people with their meals. Helping is good. Shannon

I like the activities on Compass like carpet bowling, Meals on Wheels and we are going to be cooking. Nyapany
Here is some feedback from the Grade 5’s

When the others are at Compass we do our project. I can’t wait till next year. Ellen

When 6’s are at Compass I do my project and my rocket. Kartarni

I like Compass because I get to see my friends in the other class, have a bit of a talk while I work. Kaleb

I’m looking forward to Compass because they do a lot of fun activities, like cooking, bike riding, going out on special occasions. Terri

I like when the others do Compass because I get to work on my project. James

I feel jealous when the others do Compass. Lachlan

I like helping out the elderly and Compass is super exciting and I hope next year the other can have the same fun. Trent
