**Cartoonist:**

Yesterday, all students (and adults) enjoyed learning how to draw cartoons with our visiting cartoonist Brett. As well as working with every class, Brett also worked with our Junior School Council, School Captains and Vice School Captains to design a mural which will represent our school values of Respect, Responsibility and Resilience. When the mural is designed and made it will be mounted on the wall near the Performing Arts building. It is going to look fantastic.

**Principal For A Day:**

Yesterday we had the Deputy Mayor (currently acting mayor) for Latrobe Valley, Sharon Gibson, spend a day with me to learn about being a principal. Part of Sharon’s role was also to look at how the school and the local community can engage together for the benefit of our students. We will be working together to develop opportunities for our students to continue to develop their leadership skills beyond the school and into the local community.

**Issues in James Street:**

This morning we nearly had a collision in James Street due to a driver ignoring the fact that James Street is a one way street. This would have been very distressing for our students. Please remember to follow the road rules around our school including – one way in James Street at drop off and pick up times, stopping at the crossing for students to cross, obeying the 40kmh speed limit and parking in the correct places for pick up. The school has asked the local police and by-laws officers to monitor the area for safety.

**Responsible Pet Ownership:**

On Monday all students in Grades Prep-4 will take part in a session on Responsible Pet Ownership. The person running the work shop will be bringing their border collie Mason with them.
PICK UP AND DROP OFF - SCHOOL TIMES

James St is One Way between 8:00am - 9:30am & 2:30pm - 4:00pm
Ον Οκτωβρίου 28ος Αυγούστοι οι αριστούχοι έχουν και ημέρα για να μετατρέπονται στους χαρακτήρες της ιστορίας. Στο δεντράκο, οι μαθητές θα διαβάσουν και θα δραστηριοποιηθούν με αυτούς τους χαρακτήρες. Οι μαθητές θα έχουν πρόσθετη δραστηριότητα, με την οποία θα προσκεκληθούν να δώσουν διάφορα χαρακτηριστικά και χαρακτηριστικά των χαρακτήρων της ιστορίας.

Στο δεντράκο, θα εγκατασταθεί ένα καφέ στο οποίο θα μπορούσαν να εντάξουν την ιστορία. Θα έχουμε διάφορες δραστηριότητες, με τη χρήση βιβλίων, ταινιών και παιχνιδιών. Οι μαθητές θα μπορούσαν να διαβάσουν το βιβλίο "Goldilocks and the Three Bears" και να συζητήσουν τις περιπτώσεις και τα σκηνικά που έχουν διακόπτες. Θα είχαμε μία γεραία δραστηριότητα, με τη συμμετοχή των μαθητών και τους μαθητικούς συντελεστές. Οι μαθητές θα είχαν τη δυνατότητα να μετατρέψουν την καφενεία σε διάφορες θέσεις, με τη χρήση ναυμαχίας και παιχνιδιών.
1/2J had a great time learning how to draw cartoons with Mr Cardy the cartoonist.

It was fun learning how to draw a superhero
-Kaidence

I learnt that by changing a cartoons eye you could make them look happy, sad or angry -
Drawing cartoon characters was fun and I liked learning how to draw their hands.

-Tyrone
From September, 5 things to remember

*Slip! Slop! Slap! Seek! Slide!*

From September, Victoria’s UV levels are on the rise, so it’s time to dust off the sun protection gear and Slip, Slop, Slap, Seek, Slide whenever you are outside. Check the SunSmart UV Alert for daily sun protection times – you can find it on the free SunSmart app, online ([sunsmart.com.au](http://sunsmart.com.au)), in the weather section of newspapers, or as a free website widget. If you can’t check the UV Alert each day, make sure you use sun protection every day from September to the end of April in Victoria. Don’t just wait for hot, sunny days.

**Remember these 5 SunSmart steps during the sun protection times, even if it’s cool or cloudy**

1. **Slip on** covering clothing. If you can see skin, UV can reach it. Is your child’s skin covered with cool clothing today?

2. **Slop on** SPF 30 or higher broad spectrum sunscreen. Apply sunscreen before going outdoors and reapply every two hours. One application is not enough. Has your child had sunscreen applied and reapplied today?

3. **Slap on** a sun protective hat. The best hat shades the head, face, eyes, ears and neck. Does your child’s hat protect all of these areas?
4. **Seek shade.** Shady spaces help block some of the sun's UV but not all so you still need to wear hats, clothing and sunscreen even in the shade. Does your child have shady places to play?

5. **Slide on sunglasses labelled AS 1067.** If practical, help protect your child's eyes with sunglasses. Are your child's eyes safe in the sun?

---

**A note about vitamin D**

The sun's UV is the best natural source of vitamin D.  
From September to April in Victoria, most people need just a few minutes of sun exposure to the face, arms and hands (or equivalent area of skin) mid-morning or mid-afternoon on most days of the week to help with vitamin D. Even with sunscreen you can still get some vitamin D. Sun safe outdoor play throughout the day should not put your child at risk of low vitamin D.

Children with naturally very dark brown or black skin need even more sun exposure to help with vitamin D. These children usually don't need to apply sunscreen but they should still use the other SunSmart steps during sun protection times.
