### NED SHOW

Next Wednesday morning we have a group coming to perform the NED show. This show will be held in the performing arts room (where we have assembly) and starts at 9am. Parents and younger children are welcome to stay and watch the show. The show runs for 45 minutes.

The NED show has a positive message about becoming champions at school and in life. The show also includes yo-yo and magic tricks. The show is free of charge but there is an opportunity to buy yo-yo’s at a cost ranging from $8 to $20 and other items at a cost of $5.

Your child will have a form explaining items for sale and how to order them. We hope you can join us for this performance.

### KIDZ Rock:

Don’t forget that on Friday the 2nd of August we have the KIDZ Rock disco here at school. This disco is for primary aged children from all local schools. If you know families from other schools in the Moe and Newborough area please let them know that it is being held at our school this time. Entry cost is $10 and children can win competitions and prizes. There will be water, lollies and glow sticks for sale on the night. The disco runs from 7-9pm. Children need to be dropped off and **collected by an adult**.

To help the evening be a success we need 8 adult volunteers for the evening. Please let the office know if you are available to help out. Please encourage your children to come along for this event. It’s a great opportunity for our school to hold a local community event and make some money for the school. Ideally we would hope to have at least 100 children attend.
**Grounds:**
Exciting work has been happening in the grounds of the school this week. The new grade 2/3/4 playground has been installed and will be ready for the children to use as of tomorrow. Well done to our JSC who helped to select the playground and the colour scheme. This new playground is at the front of the school.
Uniform Policy: - Piercings and Make-Up
A reminder that School Council policy is that students do not wear make-up to school. Children who wear make-up to school will be reminded of this policy and after a reminder will be asked to remove it.
School Council also has policies in place about piercings which, we will be revisiting at our next School Council meeting to improve the clarity of the policy. Currently the policy states that piercings need to be appropriate in regards to safety of the student (particularly in relation to physical activities) and reflect a positive image for the school. Please keep this in mind when making decisions for and with your children.

Grounds:
Meanwhile, around at the King Street side of the school, we have had some line marking done which includes an alphabet grid, number grid, hopscotches and activities painted onto the asphalt and the rebound wall. Some photos will be included in the newsletter but it’s worth coming up for a look, they are very colourful.
Congratulations to our “AWARDS” Students
