Teacher Supervision from 8:30am.  No students at school before 8:30am.

PRINCIPALS’ REPORT

School Contributions:
School requisites are now due for payment. If you received an account could you please make payment to the school as soon as possible. Thank you.

New Playground:
We have purchased a new playground for the younger students to play on. There are plans in the corridor near the office if you would like to look at them.

School Closure Day:
Please note that this Friday 7th of June no students are required at school. This is a school closure day for teachers to do report writing. Due to Mrs Denese Lee being on Long Service Leave for the next 3 weeks, Prep students will receive their reports early in term 3. Miss Veenu Palta will be the replacement Prep teacher for these 3 weeks.
Breakfast Club:
Friday 7th June – NO Breakfast Club – School Closure Day

Wednesday 12th June – Cereal and Toast – no cost
Helper – Jade Walsh
This week we had 23 children at breakfast club on Wednesday which was fantastic. However we could use some extra help with the increased numbers. Please let the office know if you able to help out. Even if you can’t help every week, a week here and there is a great help.

Internet Permission form:
Last week permission forms were sent home to be signed for children to be able to access the internet at school. Please note that you need to circle either you do or do not give permission. If you have signed the form without circling one of these options, we have assumed that you are selecting that you do give permission. Please contact the office if this is not the case.

In regards to students using email, this is not to email just anyone. Students emails are supervised by teachers and they will either be intra school emails to other students, interschool emails to students at other schools or to agencies relevant to the school curriculum.

Swimming:
Grades Prep-4 don’t forget your swimming gear on Friday.
It is a requirement and school policy that students are to still attend classes if not participating in the swimming program. This is a school day.

Lost Property from swimming: 1 pair of black pants (small size)
1 red school shirt (no logo)
Could parents please have a look for these items in case your child has accidentally picked up the item of clothing. Thank you
Congratulations to our “Awards” Students

SPORTS NEWS

It has been a very busy three weeks on the sporting calendar at Moe (Elizabeth Street) Primary School. Friday May 17th was supposed to be our WVPSSA Athletic Sports day however, due to inclement weather the day was postponed until Monday 27th. Friday 24th saw the Cross Country held at Newborough East Primary School and last Friday the 5/6 students competed in Netball, Soccer and Volleystars at the WVPSSA Lightning Premiership day.

WVPSSA Cross Country

On Friday May 24th, 14 students proudly represented Elizabeth St Primary School in the WVPSSA Cross Country trials held at Newborough East P.S. In quite cool conditions our students tackled the 2km and 3 km courses that tracked around the grounds of Newborough. All 14 runners are congratulated for the way they conducted themselves whilst competing and for the encouragement they gave to their team mates. At the end of the day four students - Daniel (4th), Trent (4th), Callum (6th), and Holly (5th) have been selected to compete in the Latrobe Valley Division to be held at Gaskin Park Churchill on Thursday June 6th. Nathan (7th), Ellen (7th) and Nyapany (8th) have been selected as emergency runners.

We wish these 4 runners all the best and again congratulate all 14 runners on their efforts.

WVPSSA Athletics

On Monday May 27th 40 students represented our school at the WVPSSA Athletic Sports. All students performed exceptionally well. Quite a number of students placed highly in their events and will be competing in the Division Athletics in late Term 3. A final WVPSSA team is yet to be published but once out it will be included in the newsletter. I would like to acknowledge and thank Guy Pask for the assistance he gave Mrs Lincoln and Mr Puckridge at the Discus on this day.

Lightning Prem Day.

Grade 5-6 students were involved in the annual Lightning Prem competition last Friday. In what ended up being perfect weather conditions our 2 Netball teams, Soccer team and Volley Stars team represented the school in a day of competitive but friendly competition against other WVPSSA schools.

In the netball our two teams showed vast improvement throughout the day. Even though the teams didn't record wins the students involved played in good spirits. The Volleystars team played out at the Rec Centre with Mrs Ruane and again, despite not recording many wins had a very enjoyable day.

Our final representative team was Soccer. Mr Byrne has maintained his very good coaching record by guiding this team to overall first place in the WVPSSA competition and the team will go to Traralgon in the near future to play against other Latrobe Valley school winners.

I would like to thank all parents, friends of the school and staff for supporting the Sports Program, particularly over these last, busy few weeks.
