### Wet Weather:

It’s great to see students wearing rain coats and using umbrellas to keep themselves dry on the way to and from school on rainy days. When it’s raining during recess and lunch breaks at school, we call a wet day timetable and students remain in their classrooms for these breaks. Students usually have the options of reading, using computers, playing board games or drawing. Our students are always keen to get outside for a run around, so we do try to get them outside for a break if the weather fines up.

At times, students are already outside when the rain starts. In these cases, students are asked to move to the undercover area while we wait to see if it is just a passing shower.

If your child has a rain coat, it’s a good idea for them to wear it outside on cold days, but they will be asked to remove it once they are in the classroom. Our classrooms are well heated and there is no need for students to be wearing extra jackets. We discourage students from taking umbrellas outside as they can be dangerous and easily broken.

Physical Education and BluEarth will continue in wet weather. Most times these programs are held in the undercover area but on particularly cold and wet days (like today) the program is moved indoors to the Multi-Purpose Room.
**Lunches:**
It’s important for our students to have a good breakfast, lunch and healthy snacks to help them concentrate throughout the day. Students do a lot of thinking and a lot of moving at school and it’s a good idea to make sure they have good brain and energy food. High sugar foods (Chips, chocolates, lollies etc) usually result in fidgety students who find it difficult to concentrate and follow directions. Some good choices could be sandwiches, biscuits, cheese, yoghurt, muesli bars, fresh fruit, nuts etc. Over the next few weeks we will include some suggestions for lunch boxes. Fresh fruit is provided to all classrooms, but it’s always good for students to have extra fruit.

**School Uniform:**
Well done to Grade 5/6B who had every student in correct school uniform, including the correct school jumper. 😊

**Swimming:**
A reminder that all students in Grades Prep-4 have swimming tomorrow. It has been fantastic to see the progress students are making in just a few lessons.

**School Sports**
Congratulations to the following students who have been selected to represent the WVPSSA in athletics in Term 3 - Angela S, Hosanna F, Achol M, Daniel G and Va’a F.

Best of luck to the soccer team who are competing in the Latrobe Valley finals of Soccer in Morwell (Falcons Park) on Tuesday.
Please find attached a flyer for Good Beginnings “Ready for School” program which runs at Moe (Elizabeth Street) Primary School during Terms 3 & 4.

This program is aimed at children in the Moe/Newborough area who will attend school in 2014. They do not have to be planning to attend Elizabeth Street Primary School to attend this program.

The program runs like a ‘mini’ Kinder session where parents stay with their children. Children get to visit the prep program regularly and there are helpful guest speakers for parents/guardians.

Please phone Good Beginnings on 5127 7270 to register a family.

Parents Building Solutions

PARENTING PROGRAM FOR PARENTS OF CHILDREN WITH DEVELOPMENTAL DELAY OR DISABILITY

‘PARENTS BUILDING SOLUTIONS’ ASSISTS PARENTS TO BUILD A FOUNDATION IN PARENTING SKILLS AND STRATEGIES; TO FIND SOLUTIONS FOR EVERYDAY SITUATIONS; AND BUILD POSITIVE FAMILY RELATIONSHIPS

This program is facilitated by Parentzone Gippsland. The program assists parents to build a foundation in parenting skills and strategies; to find solutions for everyday situations; and build positive family relationships. The content will be based around the needs and interests of the participants and may include any of the following topics –

- Factors that influence how we parent.
- Child development.
- Developing a positive relationship with your children.
- Understanding causes of children’s behaviour.
- Ways to encourage cooperative behaviour.
- Strategies to deal with difficult behaviour.
- Self Esteem—theirs and yours.
- Communication.
- Feelings.
- And any other issues that are challenging you as a parent.
