School Contributions:
School requisites are now due for payment. If you received an account could you please make payment to the school as soon as possible. Thank you

New Playground:
We have purchased a new playground for the younger students to play on. There are plans in the corridor near the office if you would like to look at them.

School Uniform:
Well done to Grade 5/6B who had every student in correct school uniform, including the correct school jumper. 😊

Sleep Times Tired Students:
“Sleep experts are called in to help parents of tired pupils”. This was an article in last Fridays Herald Sun.

- **Pre-school** (3-5 yrs): 11 – 13 hours
- **Primary School** (5-12 yrs) 9 – 11 hours
- **Teenagers** (12 – 18 yrs) 8.5 – 9.5 hours
**Lunches:**
It’s important for our students to have a good breakfast, lunch and healthy snacks to help them concentrate throughout the day. Students do a lot of thinking and a lot of moving at school and it’s a good idea to make sure they have good brain and energy food.

High sugar foods (Chips, chocolates, lollies etc) usually result in fidgety students who find it difficult to concentrate and follow directions. Some good choices could be sandwiches, biscuits, cheese, yoghurt, muesli bars, fresh fruit, nuts etc. Over the next few weeks we will include some suggestions for lunch boxes. Fresh fruit is provided to all classrooms, but it’s always good for students to have extra fruit.

**School Times:**
School begins at 8:40am. Students should be inside and ready to start work by the second bell at 8:45am. Teachers prepare classes in Literacy and Numeracy for the beginning of the day as students learn best then. It is vital that students be ready to start on time to avoid missing necessary instruction time.

**Swimming:**
A reminder that all students in Grades Prep-4 have swimming tomorrow. It has been fantastic to see the progress students are making in just a few lessons.

**School Soccer Finals**
Due to bad weather the Soccer Finals scheduled for last Tuesday were cancelled. There is a proposed date early in Term 3. A note will be sent home nearer to the event informing parents of the actual date.
Please find attached a flyer for Good Beginnings “Ready for School” program which runs at Moe (Elizabeth Street) Primary School during Terms 3 & 4.

This program is aimed at children in the Moe/Newborough area who will attend school in 2014. They do not have to be planning to attend Elizabeth Street Primary School to attend this program.

The program runs like a ‘mini’ Kinder session where parents stay with their children. Children get to visit the prep program regularly and there are helpful guest speakers for parents/guardians.

Please phone Good Beginnings on 5127 7270 to register a family.
