Multicultural Diversity Day
On Monday the 25th March our school is going to celebrate and participate in a multicultural diversity day.

It is going to be a great day for students as they will be participating and learning about how other cultures and their traditions have been handed down from generation to generation.

The students will be doing a variety of activities such as cooking, dance, art and other fun activities.

We are holding this day as our school has a diverse range of students that come from many different cultures.

We hope the students will enjoy this day and gain lots of insight into how we are different but the same.

Good afternoon all schools

What a wonderful day we all had on Saturday at our Moe School’s Superstar and free family
Fun day. It drizzled on several occasions but that didn’t stop our local kids (and parents) enjoying all the free entertainment. The quality of our 18 entrants in our Idol competition was again of very high standards and speaking to the judges at the end of the day their job was indeed a very hard one.

The four finalists who will sing at the Moe Music Festival on 4th May from 1pm till 1.30 pm which is held at Old Gippstown. Our four finalists in no particular order are:

ELYSHA SOMERVILLE ST MARYS
DOMINIC BATTISTA ST KIERAN’S
TESS SULTANA SOUTH STREET
DELANI MAUGA LOWANNA COLLEGE

Congratulations to these students and we look forward to hearing from them again in May. All students who competed received a show bag with goodies and vouchers and a medal for their participation in our event.

We had prizes for places 5 to 10 and these were for the following students:

TONYA RYAN LOWANNA
VA’A FILIA ELIZABETH STREET
AMBROSIA PEARLESS ST MARY’S
MACY JOHNSON ALBERT STREET
AKAISHA WILLS ST KIERAN’S
ALYSHA PUDDY NEWBOROUGH EAST

In my eyes everyone was a winner, all kids performed beautifully and all were a credit to their Schools and I’m sure that those of you who were there on the day would agree.

I would like to take this opportunity of behalf of the Moe Trader’s Association, to thank all those Schools and teachers involved in helping make our day a very successful one.

Should any children or parents require any further information about the Moe Music Festival, please give them our phone no 51272099.

Thank you once again.

S034-2013 Student Accident Insurance Arrangements

- Parents are reminded that the Department does not provide personal accident insurance for students. Parents and guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs. These costs may be recoverable where an injury is caused by the negligence (carelessness) of the Department, a school council or their employees or volunteers.

- Student accident insurance policies are available from some commercial insurers. These cover a range of medical expenses not covered by Medicare or private health insurance. They can be obtained by school councils on a whole-of-school basis, or by parents/guardians for individual students.
