The end of Term 3 has arrived and we have had a busy and successful term. Some activities this term have been the visit from the cartoonist and the installation of ‘Our Ways of Being’ Mural.

A visit from the “Responsible Pet Ownership” people, students achieving high standards in athletics.

Senior students participation in winter sports round robin among many other things.

Next term will be just as exciting as fourth Term always is.

Our sunsmart policy is in operation next term and students need to wear a broad brimmed hat which are available at the office for $10

Mrs Dowsett has been visiting schools in China and will have some interesting pictures and stories to share with us upon her return.

The staff wish students and their families a safe and enjoyable break and we will see you next term.
School Hats:
With the weather warming up and being close to Term 4, now is a good time to check that your child has a sun smart school hat. Hats can be purchased from the school office for $10. Next term hats must be worn at all times when outside.

Footy Finals Fever Day:
Today Junior School Council held a Footy Finals Fever Day. Students came dressed in their favourite footy team to celebrate the day. Unfortunately the weather was not kind to us as it was very wet so the parade was held indoors in the Performing Arts Area with students chanting their favourite football songs. Hot Food was still a treat with students eating the traditional meat pie. Students participated in football activities in their classroom. It was an enjoyable day for staff and students.

Library Borrowing Books
As it is the end of the term could students please return any borrowed library books. If you could also have a look at home as there are some outstanding books from earlier in the year. This would be greatly appreciated.

Athletic Sports - Congratulations
Last Tuesday 5 students represented Elizabeth Street Primary School in the District Athletics Carnival. These students were: Achol, Hosanna, Vaa, Daniel and Angela. All five students performed extremely well and are to be congratulated on their efforts both on and off the track. Achol, Hosanna and Daniel were lucky enough to make it through to the next stage- Regional Athletics and they competed on Friday. Again, all three were very competitive in their event and should be very proud of their achievements.

Well done Achol, Hosanna, Angela, Vaa and Daniel
Congratulations to our ‘AWARDS’ students

Jordon, Tom M, Lachlan S, Lenny, Shayelee, Robert, Hailie, Shai, Jai R, George, Kain, Phoebe.

From September, 5 things to remember
Slip! Slop! Slap! Seek! Slide!

From September, Victoria's UV levels are on the rise, so it's time to dust off the sun protection gear and Slip, Slop, Slap, Seek, Slide whenever you are outside. Check the SunSmart UV Alert for daily sun protection times - you can find it on the free SunSmart app, online (sunsmart.com.au), in the weather section of newspapers, or as a free website widget. If you can't check the UV Alert each day, make sure you use sun protection every day from September to the end of April in Victoria. Don't just wait for hot, sunny days.

Remember these 5 SunSmart steps during the sun protection times, even if it's cool or cloudy
1. **Slip on covering clothing.** If you can see skin, UV can reach it. Is your child's skin covered with cool clothing today?
2. **Slop on SPF 30 or higher broad spectrumsunscreen.** Apply sunscreen before going outdoors and reapply every two hours. One application is not enough. Has your child had sunscreen applied and reapplied today?
3. **Slap on a sun protective hat.** The best hat shades the head, face, eyes, ears and neck. Does your child's hat protect all of these areas?
4. **Seek shade.** Shady spaces help block some of the sun's UV but not all so you still need to wear hats, clothing and sunscreen even in the shade. Does your child have shady places to play?
5. **Slide on sunglasses labelled AS 1067.** If practical, help protect your child's eyes with sunglasses. Are your child's eyes safe in the sun?

A note about vitamin D
The sun's UV is the best natural source of vitamin D. From September to April in Victoria, most people need just a few minutes of sun exposure to the face, arms and hands (or equivalent area of skin) mid-morning or mid-afternoon on most days of the week to help with vitamin D. Even with sunscreen you can still get some vitamin D. Sun safe outdoor play throughout the day should not put your child at risk of low vitamin D.

Children with naturally very dark brown or black skin need even more sun exposure to help with vitamin D. These children usually don't need to apply sunscreen but they should still use the other SunSmart steps during sun protection times.

STADIUM 34's Junior Indoor Soccer (Summer Season)
STARTING SOON!

We are looking for teams and individuals to participate in our summer competition of Indoor Soccer starting the week of the 14th October. The competition runs for 15 rounds, breaking over the Christmas/January holidays and concluding with Finals in early March.

We offer competitions for male and female children in divisions of Under 10, Under 12, Under 14, and Under 16. Games are generally played from 5:00pm on Monday, Tuesday or Wednesday afternoons (depending on division) and teams consist of a minimum of five players.

As part of our summer promotion, we are offering FREE REGISTRATION for all teams that sign up BEFORE the 20th September (a saving of $60).

If you would like more information regarding our Junior Indoor Soccer Competition, please contact Matt or Brendan at the centre on 5127 8300. Otherwise, head to our website www.stadium34.com.au, where you can submit a team (or yourself) into the competition.
